SKANDI

TEHNIICAL DATA

DESCRIPTION

The Skandi Cabinet is large in size, yet it's anything but bulky-looking: Details like a mirrored door and rounded solid wood feet help it maintain an elegant, visually light aesthetic. And sustainable natural materials keep its footprint truly small.

TECHNICAL CHARACTERISTICS

- With large mirror door
- 3 drawers with soft-close function (Bloom System)
- Accessories optionally available at a surcharge
- Frosted, high-quality glass coating of the side panels
- Ground clearance through rounded solid wood feet

H – height
D – depth
L – lenght

DIMENSION:

Cabinet
